

THE ASAQS "CENTENARY PUBLICATION" NOW AVAILABLE !!

We are pleased to announce that the long awaited ASAQS Centenary Publication has been completed and copies of same are now available for purchase from the ASAQS offices. This represents the culmination of a very long and painstaking process – but it has certainly been well worth the effort !! We are very pleased with the final result and we invite you to get your copies to share in the joy and excitement of the publication.

We have taken receipt of all the ordered copies from the printers and these are now for sale to members and non-members alike. The black and white copy of the dust cover is attached overleaf, but the colour original looks a lot better, believe me. The selling price of these publications is as follows:

- R300,00 (inclusive of VAT) per copy – across the ASAQS counter
- R350,00 (inclusive of VAT and postage) per copy – if posted as counter to counter parcel (normal post)

Should members wish to have the publications posted by courier, then the additional postage costs for speedier services will be for the account of the purchaser.

Should you wish to purchase copies of the publication from the offices of the ASAQS, please fill in the order form below and fax a copy thereof, together with the proof of payment, to the ASAQS offices (facsimile : 011 315 3785). Upon receipt thereof, the publication will be posted to you at earliest convenience with our compliments.
