RECOMMENDED STUDENT REMUNERATION : 2010

The Gauteng Chapter Committee has determined the following recommended scale of remuneration for students for 2010. The scale is, for the time being, based on the 3 year BSc and 2 year BSc (Honours) curriculum of the University of Pretoria. A section for students at a University of Technology has also been added for 2010. This is based on students working full-time in their second year and part-time during their B-Tech year.

The proposed rates are deemed to be inclusive of leave, sick leave, etc. The intention of the scale is not to be used as a basis for remunerating students on an hourly basis, but rather on an average monthly wage based on the number of hours worked at the office of the employer. Employers may opt to remunerate students based on actual hours worked at the office, or on different tariffs for vacations and study periods respectively, or on the average as proposed.

RECOMMENDATIONS

Overtime

No overtime is recommended. The purpose of students working is for them to gain practical experience to supplement their academic programme. Employers are thus encouraged to promote the studies of their students. However, should it be absolutely necessary for overtime to be worked, it is recommended that the hourly tariff as proposed, be applied subject to conditions applicable through statutes.

Travelling time and Study leave

In determining the estimated total hours spent at an office, travelling time, study and examination leave have not been taken into account. It is recommended that this be negotiated between employer and student and handled and paid for separately. Naturally the proximity of the workplace to the place of study may vary between student and student and it is recommended that this be taken into consideration when remuneration negotiations are undertaken between employer and student.

Bonuses

Bonuses may be awarded at the sole discretion of the employer.

**RECOMMENDED STUDENT REMUNERATION SCALE
2010**

ESTIMATED HOURS IN THE EMPLOYER'S OFFICE

MONTH	YEAR OF STUDY				
	UNIVERSITY OF PRETORIA			UNIVERSITY OF TECHNOLOGY	
	BSc (3rd year)	BSc Hons 1 (4th year)	BSc Hons 2 (5th year)	Certificate (2nd year)	B-Tech (4 year)
